“ I get in my Roadtrek and I'm transported into another world. I love the places I can go, the things I can see, the people I can meet. ”

Marcia Jones,
Roadtrek Owner.

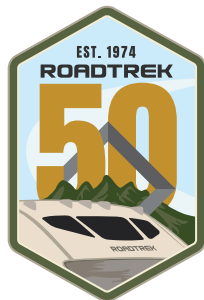

A History of Passion and Dedication.

In 1974, Jac Hanemaayer discovered his passion for RV culture while designing a model at Home & Park Vehicles Limited. He enjoyed the process so much he bought the company. An innovator at heart, Jac worked tirelessly to redesign the vehicle, adding the now-famous sweeping roofline, lowered floor, and three-section floor plan, leading to the creation of the Roadtrek motorhome in 1980.

RAPIDO The French company Groupe Rapido acquired Roadtrek in 2019, forming Roadtrek Inc. Headquartered in Cambridge, Ontario, Roadtrek benefits from continuous product development, technological advancements, and European styling. Being part of the Rapido group ensures a commitment to customer satisfaction, quality, and attention to detail.

Today, Roadtrek stays true to the vision of our founder, offering versatile Class B motorhomes on Mercedes and RAM ProMaster chassis, tailored for diverse RV lifestyles.

With more than 50 years of product development and industry-leading customer service, we are committed to building long-lasting relationships with Roadtrek owners and delivering top-quality, custom-fitted products.

● 1979 Home & Park

● 2025 Play + Slumber

Class B, perfect for the journey

Spacious, Reliable, and Easy to Operate.

Class B camper vans are the top choice for adventurers seeking versatility and efficiency. Roadtrek camper vans combine mobility and comfort, making them suitable for both quick getaways and extended road trips. Their compact size allows for easier navigation, improved maneuverability, and

better fuel efficiency compared to larger RVs. Equipped with essential features such as kitchens and bathrooms, they offer a self-contained living space for convenience on the road. Whether used as a daily driver or a reliable travel companion, Roadtrek vans cater to the nomadic spirit.

The PLAY Series.

Designed for both first-time owners and seasoned travelers. PLAY series provides turnkey solutions for simplicity and comfort, ensuring you're ready for any adventure.

The PLAY Series offers five (5) models:

Playing with Color.

Select from six (6) striking body paint options designed to complement your vehicle's style and presence. Each option is crafted with you in mind, using high-quality materials to ensure a vibrant and durable finish. The exterior surfaces are protected with a professional-grade clear coat, enhancing the visual appeal while providing resistance to wear and environmental elements. This smooth, polished finish not only elevates the overall look of the vehicle but also makes cleaning and maintenance effortless, so your vehicle can continue to look its best on every adventure.

Black Accent Package

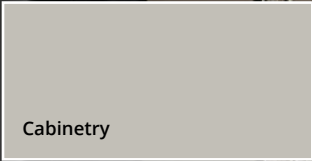

The optional Black Accent Package includes grill, rims, and body trim.

Visual Comfort.

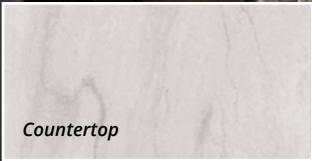

The perfect combination of color and material is possible with Roadtrek's décor options. These combinations set the stage for your adventures today, tomorrow, and well into the future.

Comfort and Convenience.

Roadtrek's fleet stops at nothing to provide you with best-in-class solutions born out of necessity for comfort, convince and everyday use.

Pantry

Easy roll out pantry provides plenty of space for goodies while ensuring safe travels with an easy lock closure.

Refrigeration

The Vitrifrigo refrigerator with a 3.1 cu ft compressor is efficient and powerful. It can chill to lower temperatures and cool more consistently.

Storage

Clutter-free, deep drawer storage opportunities throughout. Pots and pans will feel right at home.

Countertop

Durable and practical, Roadtrek countertops offer a foldaway extension that adds to your culinary experience.

Pedestal table

The movable pedestal table provides a versatile workspace, easily mounted at the front or back of the vehicle.

More Ways to Play.

If you are looking for ways to upgrade your everyday adventures, our vehicles have a variety of optional features to choose from:

Entertainment

Wired for TV, USB charge ports for devices. Optional 24" HD Smart TV* with built-in full range stereo speakers.

Solar Energy

Optional, streamlined rooftop solar panels* deliver 300 watts (slumber models 200 watts) of power.

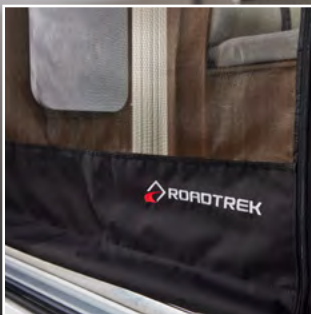

Comfort Up Front...and at the Back

An optional front cab folding mattress offers more slumber space. Forward facing, rear power sofa also available. Only for Play and Play Slumber.

Protection

Keep your pets safe, and your space bug-free with rear and side door screens.

*Part of the optional Smart Package which includes 24" HD Smart TV, Wall Bracket and Solar Panels.

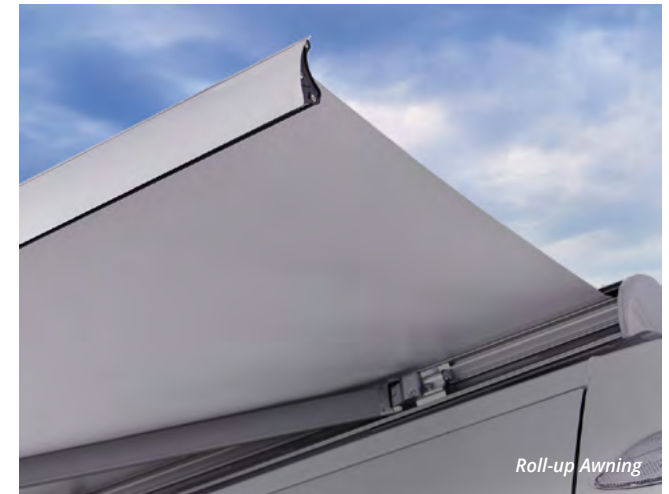

Beyond the Bare Necessities.

Roadtrek PLAY series models come fully equipped with bathroom features that go above and beyond in comfort and convenience for those private moments on the road.

Wet Bath: Refresh yourself after a day of adventure with our convenient, on-board wet bath. Constructed with a seamless fiberglass enclosure it features a sink, toilet, towel bars, mirror, light, and a rinse handle for showers.

Secure Storage: This inlaid storage space ensures toiletries stay safely stowed while keeping clutter at bay.

More Features to Find Outside.

Automotive Safety Glass: Not your typical RV windows. Specially designed with safety, privacy and security in mind.

Outdoor Shower: Rinse off any dirty paws or adventure gear after a day of pure enjoyment with our convenient hot/cold outdoor shower system.

Roll-up Awning: Keep out of the sun at the push of a button with an easy to operate, 12' - 13', powered roll-up awning.

Step Bar: Get in and out of the coach easily (and safely) with the convenient side step bar.

Macerator and Waste Valves: The PLAY series uses a traditional gravity feed system PLUS an electronic pump Macerator system which provides fast, hygienic, waste disposal.

Get Hitched.

Each PLAY series vehicle is equipped with a sturdy hitch receiver, ready to handle whatever activity you have in mind, whether it's towing a small boat, ATV, motorcycle, or snowmobile.

Safe Towing and Weight Ratings

Understanding weight ratings ensures safe towing practices. The Gross Combined Weight Rating (GCWR), Gross Vehicle Weight Rating (GVWR), and Hitch Weight Rating Plate determine the maximum weight your vehicle can safely tow and carry. With proper calculation of tongue weight and cargo capacity, you can confidently bring along all your essentials while exploring the open road.

Gross Combined Weight Rating:
11500 lbs. (5,227 kg.)

Gross Vehicle Weight Rating:
9350 lbs. (4241 kg.)

Hitch Weight Rating:
3500 lbs. (1,587 kg.)

3,500lb Rated Hitch Receiver

Ready to Play.

Every PLAY series vehicle comes fully equipped with standard features that make life on the road a breeze, and optional equipment that round out your dream ride. Roadtrek has everything you need and more!

Interior Equipment

- Swivel Pedestal Table
- Roll out Pantry
- Pots and Pans Storage

- Privacy Night Shades
- Control Monitor Panel
- Power Awning
- Outdoor Shower
- Park Cable Hookup
- Macerator System

Electrical/HVAC Equipment

- 3000-WATT Power Inverter
- Under Hood Generator
- Air Conditioner 11,000 BTU
- Detectors (Smoke, Propane and CO)
- LP Auto Ignition Furnace
- LP Tankless Water Heater
- LP Exterior Quick Connect
- Propane Tank 22 L/5.9 gal

Optional Equipment

- Smart Package (includes 24" Smart TV, Wall Bracket and Solar Panels)
- Front Cab Folding Mattress

We Don't Play About Safety.

When choosing a chassis to complement our best-in-class interiors and features, safety and comfort are our top priorities. Roadtrek exceeds expectations with meticulously designed chassis and exterior features, guaranteeing confident and comfortable travel mile after mile.

The **RAM Promaster chassis** provides a smooth, comfortable ride that offers flexible maneuverability. From the seasoned driver to the cautious first timer, every driver will feel confident navigating the open road, inner city driving and even fitting into that seemingly impossible, everyday parking space.

See dealer for complete list of chassis features. CERTAIN CHASSIS FEATURES MAY NOT BE AVAILABLE AT TIME OF PRODUCTION and certain Dealer inventory may not include all equipment noted. Supply chain shortages are unanticipated at time of print of this publication. Photograph for illustration only. Features may vary.

Comfort and Convenience.

Put your mind at ease with Roadtrek's distinct electrical system that keeps you safely powered up.

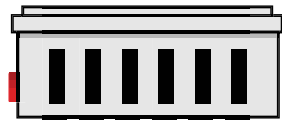

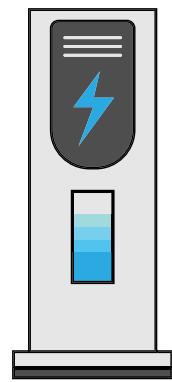

Furnace: Propane Automatic, 16,000 BTU

A/C: 110 V, 11,000 BTU Roof Mount

Propane: 22 L/5.9 gal LP Tank with Exterior Quick Connect

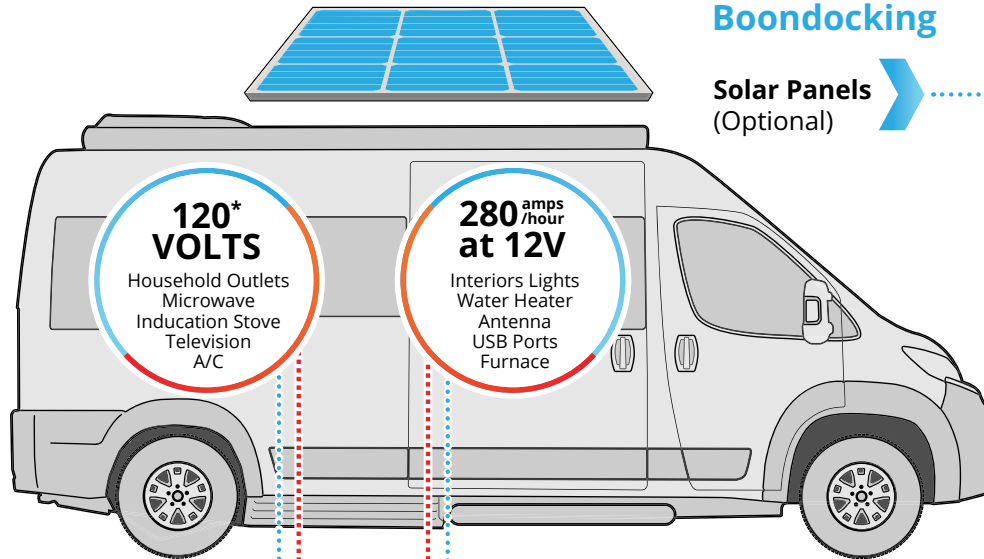

Electrical Hook-Up

Shore Power 120 Volt power connection to RV.

3000 Watt Sine Wave Inverter

Enables seamless Shore Power passthrough to the coach, simultaneously activating the charging system for the 12V batteries when connected to Shore Power

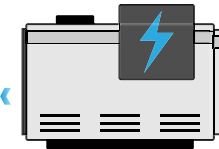

Boondocking

Solar Panels (Optional)

Solar Charge Controller

Under Hood Generator (GU)

Charges the 400 AMP AGM coach batteries while engine is running, fast recharge rate of 280 amps/hour at 12V. Compliant with campground 'Quiet Hours,' allowing for uninterrupted use.**

Water System: Girard 42,000 BTU Tankless Water Heater System (LP) paired with Roadtrek's 37[†] gallon fresh water capacity. A 20-gallon tank is located under the coach, while an additional 17-gallon tank is conveniently concealed behind the cab area.

Airtight Testing: We conduct a submersion test on all holding tanks to ensure there are no flaws or microscopic leaks. Tanks are submerged underwater for 1 minute to confirm there are no air bubbles present.

*When Boondocking, only turn the Inverter on to use the 120V utilities. / **The battery system in this coach is not designed for long-term boondocking experiences. You will need to be plugged into shore power to run your AC for extended periods of time. Usable power must be replenished regularly to ensure an adequate power reserve is maintained / [†]The calculated water capacity includes volume in holding tanks, water heater, and water lines.

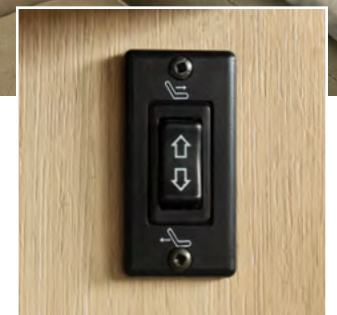

Powered Convenience at Your Finger Tips.

One-touch Control Panel

Roadtrek provides a practical, reliable, and easy-to-maintain motorhome, ideal for RVers of all experience levels. A simple touch of a button gives you full control over the coach systems, including monitoring, lighting, battery management, HVAC, and system diagnostics.

Rear Power Sofa

The PLAY+ and PLAY+ Slumber models feature a fully electronic sofa bed with touch button(s) for effortless conversion for sleep - no manual adjustments needed!

Electronic sofa single-touch button

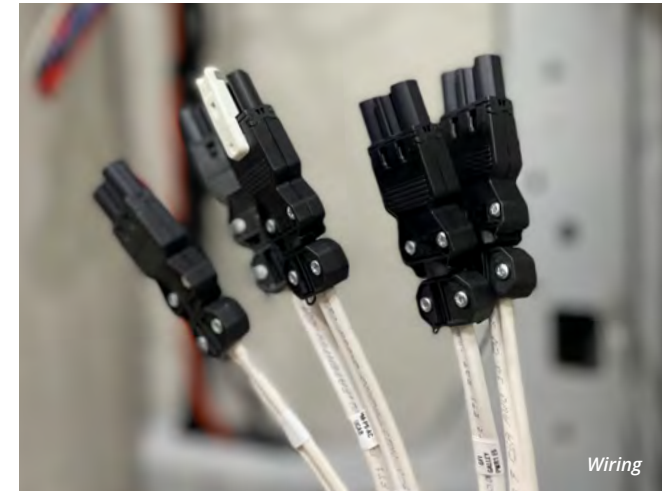

*Available for
**PLAY Slumber & PLAY+
Slumber (PLAY+ shown)***

Dedicated to Quality.

From top to bottom, inside and out, Roadtrek employs the highest standards across materials and technology. Our rigorous testing programs, and dedicated attention to detail throughout the assembly process, makes us an industry leader when it comes to craftsmanship and engineering.

All Roadtrek models are thoroughly inspected during each stage of assembly ensuring they meet our standards of reliability and durability. From the smallest of brackets to electrical and water/waste management systems, engineering is at the forefront of Roadtrek products.

Quality You Can See (and Can't See).

Cabinetry: To withstand varied road conditions and everyday use, we use only metal hanger brackets and secure fasteners during installation for long-lasting anchor strength.

With the use of custom CNC (Computer Numerical Control) cutting to duplicate the sidewall profile of the van, our cabinets fit perfectly, maximizing the amount of usable space inside the vehicle.

Plumbing: Plumbing lines that pass-through chassis steel are rubber grommeted to protect the integrity of the system and prevent future wear issues.

Wiring: Wieland, the best wiring harness connection system available, provides our vehicles with positive latching for a superior electrical connection, ensuring clear and stable paths while minimizing any room for error.

*Community
you can
count on!*

There are benefits to joining the Roadtrek family—experience, expertise, and support like you’ve never had before. Along with best-in-class customer service, you can become a part of Roadtrek International – the growing community of Roadtrek owners.

Roadtrek International is a great source of resources and camaraderie. This is a community that is known for being welcoming, knowledgeable and always willing to lend a hand, or shoot the breeze about life on the road in a Roadtrek. You’ll see that there is certainly strength in numbers.

Whether through dedicated ownership groups on Facebook, meet-ups, rallies or caravans across North America, you’ll find a network where connections and valuable advice abound at every turn.

Join the Roadtrek family today!

roadtrekchapter.org

Always on Your (Road)side.

Roadtrek offers adventurers seeking the open road lifestyle a unique blend of convenience and mobility. However, like any vehicle, Class B RVs can be susceptible to mechanical issues, flat tires, engine breakdowns, and other unforeseen emergencies that can occur while traveling.

Unlike smaller vehicles, Class B RVs are equipped with specialized systems such as plumbing, electrical, heating, and cooling, in addition to the standard automotive components. When these systems malfunction or break down, they require specialized knowledge and tools to diagnose and repair. Roadtrek Roadside assistance provides the expertise and timely assistance to get you back on the road.

Roadside assistance is not a luxury; it's a critical necessity for ensuring the safety and peace of mind of today's travelers. All Roadtrek PLAY series vehicles come with unlimited Roadside Assistance benefits:

- Towing
- Jump-starts
- Tire Assistance
- Dealer Locator Assistance
- Locksmith/Lockout Service
- Delivery of Fuel
- Technical Support

Powered by: SAFERIDERY
MOTOR CLUB

A Warranty As Good As Our Vehicles.

There are benefits to joining the Roadtrek family — experience, expertise, and support like you've never had before. Along with best-in-class customer service, Roadtrek offers the longest warranty coverage in the Class B segment, ensuring protection for you and your investment. We pride ourselves on quality and dependable customer service and if at any time you encounter an issue with your vehicle, we'll be there.

- 5-year/60,000-mile or 100,000-kilometer Gas Powertrain Limited Warranty covering the cost of repairs on all covered powertrain components – engine, transmission and drive system for most new Ram vehicles. 3-year/36,000-mile or 60,000 kilometer Limited Warranty, provides bumper-to-bumper coverage of your vehicle, from the body to the electrical system. Refer to chassis manufacturer's website for complete details.
- Two (2) year comprehensive, unlimited mileage warranty. Please contact your nearest Roadtrek dealer for complete details.

We're with you all the way
